

# Notification of Production Discontinuation

Issued December 1, 2018  
FUKUDA CO., LTD., Sales Planning Div.

<b>Title</b>	Production Discontinuation of Model FLZ-0210 Compact Air Leak Tester
--------------	--

Thank you very much for your purchase and use of the FUKUDA FLZ-0210 Series.

We are writing to notify you that production of the long-running FLZ-0210 series is being discontinued as per the following. We thank you for your understanding.

## 1. Model for which production and sale is being discontinued

Product Name	Model
Compact Air Leak Tester	FLZ-0210

## 2. Timing at which production and sale is being discontinued

Discontinuation of sale announced on December 1, 2018

Orders close on (final date of accepting orders) March 31, 2019

\*As production of some components has been discontinued,  
we recommend upgrading to our successor models.

## 3. Reason for production and sale being discontinued

- Production cannot be continued as some components are no longer available.

## 4. Recommended replacement models

Product Name	Replacement Model
Compact Air Leak Tester	FLZ-0220

\* Please contact the Overseas Sales Div. regarding replacement models.
